THE REAL ESTATE MASTERMIND GROUP

Like the 1927 New York Yankees, this GTA-based Real Estate Mastermind Group is stocked with heavy hitters and brings together an all-star, hand-picked collection of the GTA's top producing real estate agents. With monthly meetings and the ability to draw on an endless well of resources, this elite group learns from one another, ultimately fashioning the lessons into exemplary service for their clients.

The all-star team includes Dan Cooper (Oakville), Neil Bayley-Hay (Barrie), Mike Clarke (Toronto East), Sam McDadi (Mississauga), Diane and Tom Mitchell (York Region), Mary Roy (Durham Region) and Paul Zammit (Toronto North). Real estate firms and regions vary, though each personal standard of excellence does not.

Every member of the group has his or her specific strengths, from marketing strategy and website utilization to internal management and

customer care. Guest speakers are regularly invited to shed light on new and emerging areas, ensuring that no facet of the real estate industry goes unexplored. Hiring one of these professionals not only gives clients one of the top agents in the country, but also the combined strengths of a real estate brain trust.

"We talk about trendsetting ideas, cutting-edge technology, and what we need to do to set ourselves apart from the competition in a very large way," explains the group. "With over 100 years of combined experience and over \$500 million annual volume in homes sold, our team is definitely a band apart."

The Real Estate Mastermind Group aims to create what they call "the ultimate real estate agent." In the end though, it is the client that reaps the rewards with their homes selling quickly, more efficiently and for more money.
